PROFESSIONAL VACANCY ANNOUNCEMENT NO. 01/AICSTUNISI/2020

PROGRAMME ASSOCIATE (INTERNATIONAL)

The Italian Agency for Development Cooperation (AICS) intends to recruit a **Programme Associate** for the implementation of the Italian component of the “Recovery, Stability and socio-economic development in Libya” Programme (hereafter referred to as “the Programme”), financed by the European Union and implemented by the Italian Agency for Development Cooperation (AICS), the United Nations Development Programme (UNDP) and the United Nations Children’s Fund (UNICEF).

The contract duration will be eight months – including a three-month probation period – with possible extension, subject to needs, availability of funds and satisfactory performance.

PROGRAMME DESCRIPTION

Within the framework of the European Union “Emergency Trust Fund for Stability and addressing root causes of irregular migration and displaced persons in Africa” (i.e. “Trust Fund”), the Programme responds to the effects of the ongoing instability and difficult socio-economic conditions on the most vulnerable populations in Libya. It targets municipalities with high concentrations of migrants and asylum seekers, settled or in transit, areas of displacement of Libyans and places to which displaced populations are returning, as well as communities where basic and social infrastructures have been severely affected by the conflict.

Quick and tangible impacts, in the form of access to basic services are critical in strengthening the social contract between local authorities and communities, on the one hand and easing the integration of migrants and refugees in host communities, on the other hand. The Programme aims at improving capacity to deliver basic services at the municipal level in the Education, Health, WASH and Energy sectors, through the rehabilitation of service facilities (i.e. works, equipment and supply provisions), institutional capacity building and, to a limited extent, awareness raising activities targeting communities and the general public.

Expected start of employment: at the end of the recruitment process

Duty station: Tunis with short-term missions to Libya and possible relocation to Tripoli, according to the security situation.
