- Questions & Answers

1. Improving the use of water resources in Libya (1,825 M EUR) – Lot 1

Specific Objective 1: Improve the management and equitable access to safe drinking water supplies and adequate sanitation services.

Specific Objective 2: Increase water efficiency in the agricultural sector and reduce the number of people suffering from water scarcity and food insecurity.

Result 1: Improved access to equitable and safe drinking water supply.

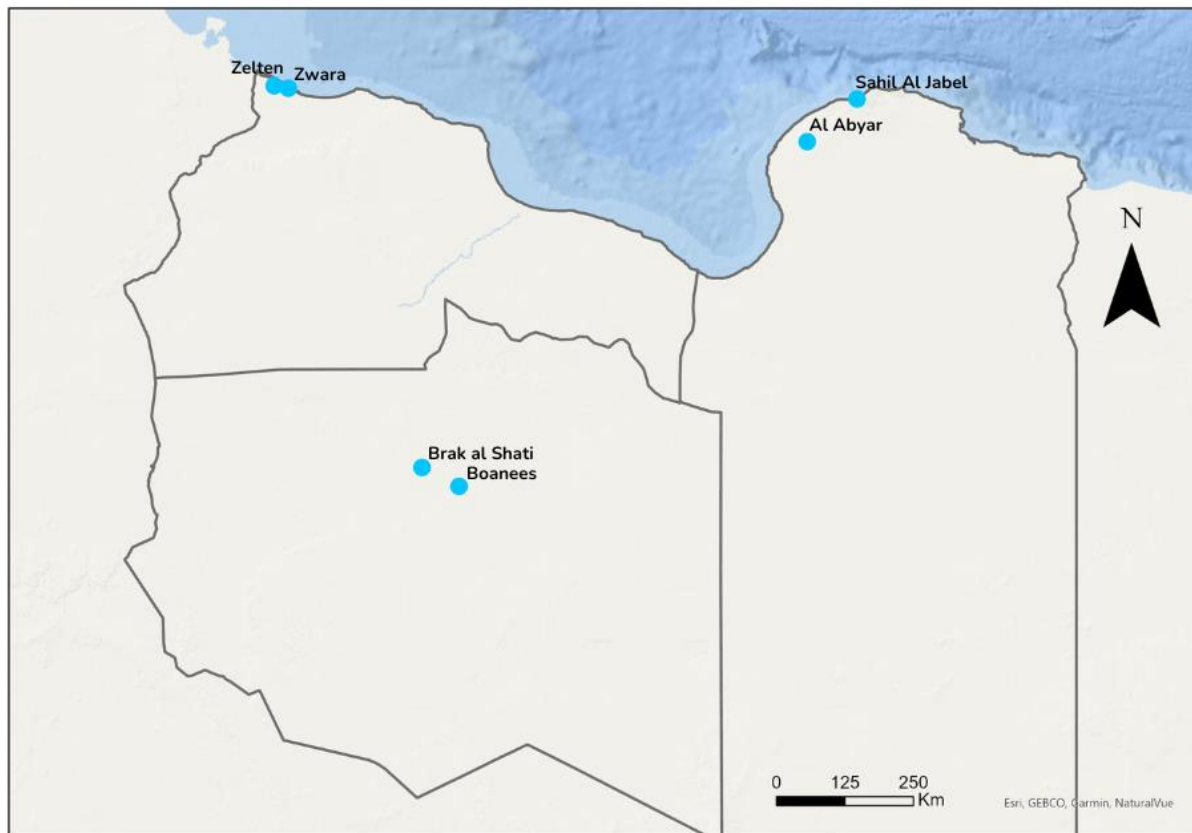

Result 2: Improved access to adequate sanitation and hygiene services.

Result 3: Strengthened capacities of local authorities on water governance.

Result 4: Improved water resources management in agriculture.

Geographic Target: East (Al Abyar; Sahil Al Jabel), West (Zwara; Zelten), South (Brak Alshati; Boanees).

Map of targeted municipalities for Lot 1

2. Clean energy for a sustainable access to basic services (2,025 M EUR) – Lot 2

General Objective: Improve the living conditions of the Libyan population

Specific Objective: Facilitate access to basic services for the Libyan population

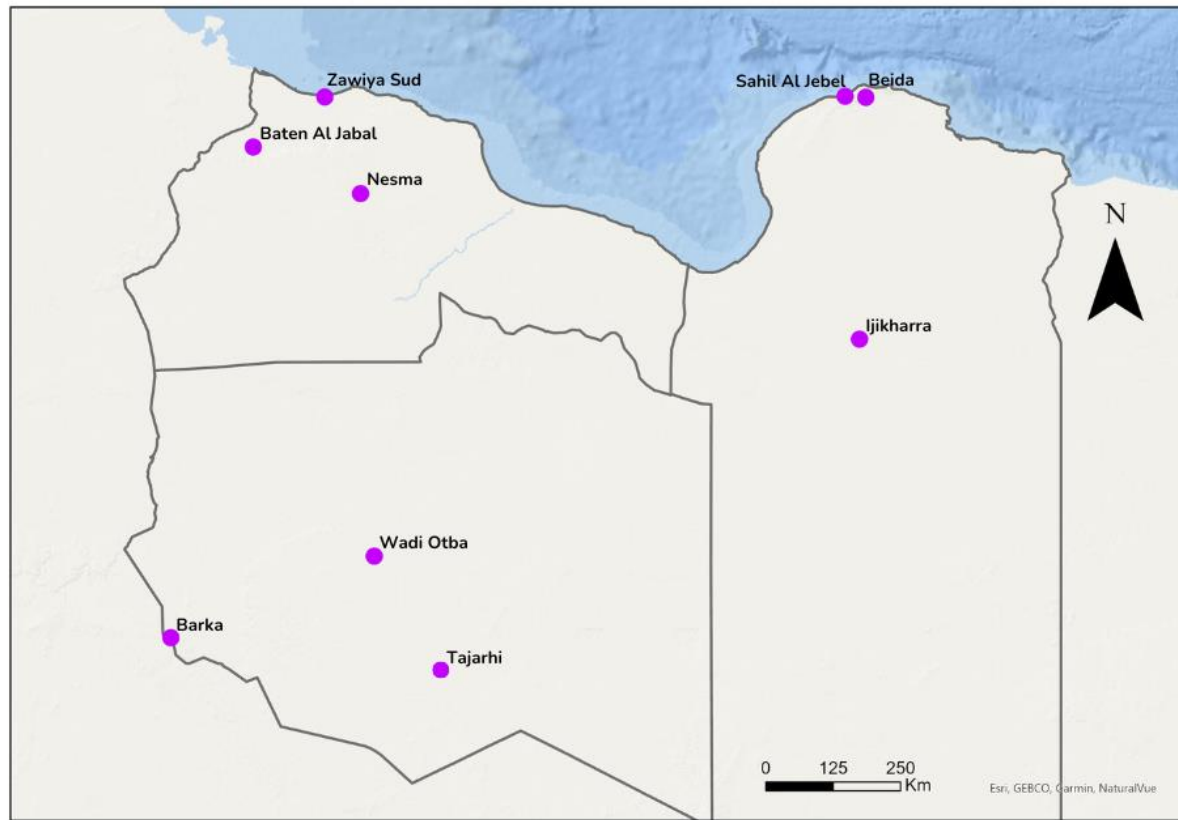

Result 1: Increased energy supply in facilities providing basic services.

Result 2: Strengthened technical skills in energy-related areas.

Result 3: Improved local capacities in the delivery of health and educational services.

Geographic Target: East (Sahil Al Jebel; Ijikharra; Beida), West (Nesma; Baten Al Jabal; Zawiya South), South (Wadi Otba; Barka; Tajarhi).

Map of targeted municipalities for Lot 2

Main details

Budget:

- Lot 1 :
 - 912.500,00 euro for projects submitted by a single NGO;
 - 1.825.000,00 euro for projects submitted by two or more NGOs.
- Lot 2:
 - 1.012.500,00 euro for projects submitted by a single NGO;
 - 2.025.000,00 euro for projects submitted by two or more NGOs.

Maximum duration: 18 months.

Each NGO/consortium can submit a project proposal for each Lot.

Next steps

- ❑ AICS published an open *Call for Proposals* on January 31st, 2025. Only NGOs that are duly registered in Italy and in Libya can apply.
- ❑ The current deadline for applying is April 15th, 2025 at 14.00 (Tunisian time GMT + 1)
- ❑ Applicant NGOs can submit questions until February 21st
- ❑ AICS will publish official FAQs on February 28th

Timeline for the selection of NGOs

The process started with the publication of the Call for Proposals on January 31st, 2025.

The selection process ends with the signature of the Contract between AICS and the selected NGOs (official start of activities).

Coordination Mechanism with the MoLG

1. Applicant NGOs must obtain a Letter of authorization by the MoLG to start the needs assessment in the target municipalities.
2. After completing the assessment, NGOs must request that the Mayors of the target municipalities send a letter to the MoLG listing the agreed activities. To expedite the process, NGOs can share a copy of the letter with the MoLG themselves;
3. Following this, **the MoLG will issue a letter of support** for each applicant NGO/Consortium based on the Mayors' letters. Each applicant NGO/Consortium must attach this letter to their proposal to be submitted to AICS.

MoLG Focal Points

- Mr. Abdulsalam Elghdi

- Mr. Assad Abotorkia

Email: e.abotorkia@lgm.gov.ly

WhatsApp: +218917676499

Questions and Answers (15 minutes)

AICS Tunis will collect all the questions and will reply officially with the publication of the official Frequently Asked Questions (FAQs).

Reminder:

- Applicant NGOs can submit questions until February 21st
- AICS will publish official FAQs on February 28th

Thank you for your attention!
